

AXE BRUE DRAINAGE BOARD

Notice to Farmers and Riparian Owners – 2016/17 Rhyne Maintenance

The Board's contractors require access to the Board's Viewed Rhynes to carry out routine maintenance & weed cutting during the following months (under Sections 14, 15 & 64 of The Land Drainage Act 1991). Flailing of banks may be necessary and this may be undertaken two weeks prior to weed cutting. Riparian owners are reminded that a NINE METRE maintenance strip from the top of the bank must be kept clear for access. Whilst all efforts are made to minimise damage to crops it is not possible to interrupt or delay the programme to avoid harvesting operations as efficient routes for the weed cutting have been established.

To minimise operational cost and disruption to the scheduled works the Board ask riparian owners/ratepayers to inform the Board of locked gates on known access routes.

Farmers and Riparian Owners please note this programme is for guidance only and may vary due to weather conditions, weed growth and machine availability. For further details contact the Highbridge office on 01278 789906

MAY/JUNE: West Rhyne, Butter Ditch, Moggs Crannel Rhynes, Upper Crannel Rhyne, Short Drove, Bordenbridge Rhyne, Sedgemoor Middle Rhyne (Lower), Long Drove Rhynes, North Wooton Rhyne with Branch
