	 Defra guidance recommended that a large Board should, ideally, be not greater than 21 members. The Board had agreed to reconstitute to 25 (12 Elected, 13 Appointed Members) The Minister was expected to sign the Order week commencing 2 Jul 18. Elected membership had been agreed at the Extra Ordinary Board Meeting held 24 May 18. The clerk was awaiting confirmation of Local Authority appointed members (13 seats). 	10.3. With regards to the Reconstitution of the Board, the Clerk stated that he had received a letter from a member of the public, Mr M Higgins, requesting information and clarification on the background to reconstitution. The Clerk had responded accordingly in a letter to Mr Higgins (in attendance) on 14 Jun 18.	
	10.4. The Clerk also stated that, following the accusation raised by Mr M Watts at the last Meeting of the Chair having misled the Board into its decision to reconstitute stating that it was 'Defra Policy', he had written to Mr Watts recommending that his complaint was progressed formally in accordance with the formal Compliants Procedure. Having received a written response, the Clerk had now investigated the background of the claim, had listened fully to the recording of the Extra Ordinary Board Meeting of 31 Aug 17 where the decision was taken, but could find no evidence to support the complaint. Having not been	

	resolved to the satisfaction of Mr Watts, the next step in the procedure was to approach the full Board for investigation. 10.5. In accordance with the Complaints Procedure, the Clerk provided an overview of the complaint and the background to the claim. With no evidence to support Mr Watts' claim, he and asked the Board Members if there was a case to answer. Cllr J Savage Proposed, Seconded by Cllr P Costello, that "the Axe Brue IDB conducts a vote of confidence for the Chair." The Vice Chair took the meeting. Vote: For 20; Against 0; Abstain 1; motion carried. 10.6. The Vice Chair thanked members for their support in the Chair and for the conclusion of the vote. The Clerk advised that the Board that they had not been misled in making its decision to reconstitute and therefore believed that there is no case to answer. Mr M Watts withdrew his complaint. Mr Fear then took back the Chairmanship of the Meeting, thanking the Vice Chair for his action. 10.7. The Clerk advised the Meeting that this was most likely to be the final meeting of the Axe Brue IDB in its current form. An emergent meeting of the new reconstituted Board would be called with as much notice as possible. 10.8. All out-going Board members were thanked for their contributions over the years; all members concurred with this sentiment.	RESOLUTION 10
11. Date of next meeting:	11.1 The date of the next Axe Brue Full Board would be advised as soon as possible after the Order for reconstitution had been received.
