REGISTRATION

All prospective purchasers need to register at gth.auctionmarts.com. Once registered and your email has been confirmed, you need to click on 'Auctioneer' in the top menu and then click 'Register with Auctioneer'. This will link you with GTH. Everyone who is registered with GTH can then set a bidding limit. For those not already registered please contact us ASAP as we will need to obtain references for you before you will be able to bid. ****PLEASE REGISTER ON THE BIDDING WEBSITE AT YOUR EARLIEST OPPORTUNITY TO ENSURE WE CAN APPROVE YOUR BIDDING LIMIT****

VALUE ADDED TAX

VAT @ 20% will be charged on items of deadstock.

REMOVAL

At the end of the sale all items are considered the property of the purchaser. No items to be removed until payment has been paid in full. Loading assistance will be available up to 4 days after the sale, to coincide with the holdover on the Schaffer 9640T and JCB 3CX. **All machinery must be removed from the holding by Thursday 9th December 2021.** Purchasers are reminded that all lots become their total responsibility from the fall of the hammer.

PAYMENT

Payment must be made in full by cash (up to £8,000) or debit card only to the Auctioneers. No lots may be removed from the farm without an auctioneer's pass confirming payment. Prospective purchasers who have not traded with the auctioneers are required to provide two forms of identification, one to be photographic and the other confirming address and are to register with name, address and telephone number to bid prior to the commencement of the sale and confirm arrangements of payment. ****WE DO NOT ACCEPT CREDIT CARDS****

WARRANTY OF TITLE & AVAILABILITY

The seller warrants the auctioneer and the buyer that the seller is the true owner of the property authorised to consign it for sale and is able to transfer the title of the property free of any third-party claims.

DISCLAIMER OF LIABILITY

Neither the Auctioneers, landowners or sellers nor any agent or employee of these bodies accepts any liability for any accident, loss, damage or injury to any person or property whatsoever whether caused by their negligence, breach of contract or in any other way.

HEALTH & SAFETY

The Auctioneers have taken reasonable precautions to ensure the health and safety of everyone present. For these measures to be effective, everyone must take all reasonable precautions to avoid and prevent accidents occurring and must adhere to instructions of the auctioneers.

ENTRY TO SALE PREMISES

All visitors please note that entry to the sale site is at your own risk. No liability whatsoever can be accepted by the vendors or the Auctioneers.

CONDITIONS OF SALE

The sale will be conducted under Greenslade Taylor Hunt's Conditions of Sale. Inasmuch as the Auctioneers act only as Agents, they shall not be held personally liable for any default on the part of either Vendor or Purchaser.

BUYERS PREMIUM

A 5% buyers' premium will be charged on ALL lots. The buyer's premium is subject to VAT.

CONDITION OF LOTS

All lots are sold with all faults, imperfections and errors of description. An intending purchaser must satisfy themselves by inspection of the lots prior to the sale as to its condition and should exercise and rely upon his own judgement to whether the lot accords with its description.

INSTRUCTIONS IF YOU CANNOT BID

HAVE YOU CONFIRMED YOUR EMAIL ADDRESS?

New registrations must verify their email address

HAVE YOU REGISTERED WITH THE AUCTIONEER?

Click on 'Auctioneer' in the menu and then 'Register with Auctioneer'

HAVE YOU EXCEEDED YOUR BIDDING LIMIT?

New bidders are registered with a standard bidding limit of £500

*****Please contact us before 5pm on the day of the sale if you wish to increase it*****

If you have not traded with GTH before you will be asked for a trading reference

The first lot will conclude at 6:30pm, with the following lots staggered thereafter.

If the present highest bidder is outbid within the final moments of the auction, the countdown timer will extend to provide a further opportunity to bid, which will delay the conclusion of that lot.

The lot times are staggered but fixed, therefore it is possible to have multiple lots finishing concurrently.

To avoid issues due to a last minute drop in your connection with the online portal server, bidders are encouraged to regularly refresh their browser and utilise the 'Highest Bidder' function.
